**Scot Motorhomes – The largest Dealership within the Adria dealer network**

To enable us to continue to win awards for Gold Customer Satisfaction, which we have now won for 6 consecutive years, it is important for Adria to have a selection of reliable and professional dealers across the UK.

Our flagship dealer and the largest dealer within our network is Scot Motorhomes, who not only provide a wide range of products on display in a very professional manner but equally offer our customers the best support in terms of sales and aftersales.

We are very much looking forward to our continuous relationship with Scot Motorhomes who will enable our Adria family of highly satisfied customers to continue to grow.

Yours sincerely,

**Slavica Sterk**  
**Managing Director**
